# ABOUT AMB GROUP

AMB Group's focus is to support medical and legal professionals in the personal injury industry. We do so by sharing valuable information through our Personal Injury Magazine<sup>®</sup>, hosting exclusive events both in person and online, as well as providing billing and consulting services to PI clinics since 2007.

# WHAT IS THE PERSONAL INJURY SUMMIT<sup>®</sup>?

The PI Summit<sup>™</sup> is a one-day conference being held annually in South and Central Florida since 2019. It differentiates itself from other legal or medical conferences, as it attracts professionals from both fields who come together for a full day with the shared interest of growing their personal injury practices.

Our one-day, one-room format facilitates meaningful connections amongst guests and vendors, and our venues are carefully selected to ensure a comfortable and professional environment, conveniently located for both local and out-of-town guests alike. We include several breaks and networking opportunities to encourage guests to interact with each other, as well as with our vendors throughout the day.

Tickets are offered at affordable prices to encourage higher attendance and provide guests with full access to our expert speaker program, vendor area, raffles and high-quality catering starting with a delicious breakfast all the way through our Cocktail Reception at the end of the day.

# WHO ATTENDS THE PI SUMMITS?

At our Personal Injury Summit™, we have had an average of 60-75 attendees in Central Florida, and 75-100 in South Florida. Most attendees are business owners or decision-makers in their legal or medical practices.

Medical specialties may include chiropractors, orthopedists, medical doctors, physical therapists, and legal specialties may include personal injury/PIP attorneys, trial lawyers and paralegals.

Most attendees practice in Florida, with a small portion coming from other parts of the country. The suggested attire for guests and vendors is business casual.

# WHO CAN PARTICIPATE IN THE SPEAKER PROGRAM?

All sponsors are welcome to submit an application to participate in our Expert Speaker Program. Class topics must be fully educational in nature, and address relevant topics in medical, legal or business strategies. We consider all speaker applications in the order of highest-to-lowest sponsor levels until the schedule is filled.

A paid sponsorship is required in order to apply. Gold Sponsors are guaranteed a 50-min. class spot, with second priority given to Silver Sponsors.

If interested, please to submit the separate Speaker Program application to us as soon as possible, including your sponsorship payment, speaker's CV, headshot and topic description.
