# SUMMIT® FLORIDA – 2025

Hosted by

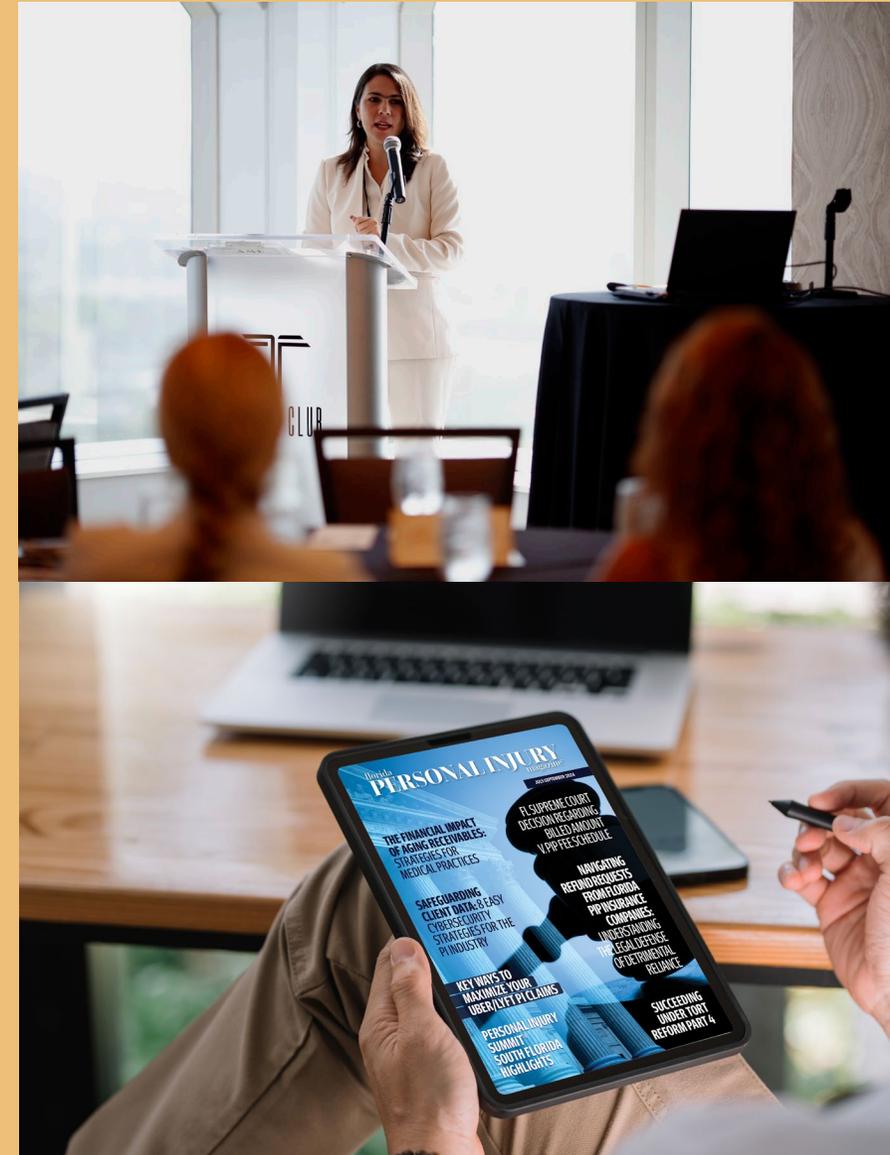

Saturday  
March 8<sup>th</sup>, 2025  
Orlando, FL

Saturday  
June 7<sup>th</sup>, 2025  
Ft. Lauderdale, FL

# ABOUT AMB GROUP

AMB Group's focus is to support medical and legal professionals in the personal injury industry. We do so by sharing valuable information through our Personal Injury Magazine<sup>®</sup>, hosting exclusive events both in person and online, as well as providing billing and consulting services to PI clinics since 2007.

# WHAT IS THE PERSONAL INJURY SUMMIT®?

The PI Summit™ is a one-day conference being held annually in South and Central Florida since 2019. It differentiates itself from other legal or medical conferences, as it attracts professionals from both fields who come together for a full day with the shared interest of growing their personal injury practices.

Our one-day, one-room format facilitates meaningful connections amongst guests and vendors, and our venues are carefully selected to ensure a comfortable and professional environment, conveniently located for both local and out-of-town guests alike. We include several breaks and networking opportunities to encourage guests to interact with each other, as well as with our vendors throughout the day.

Tickets are offered at affordable prices to encourage higher attendance and provide guests with full access to our expert speaker program, vendor area, raffles and high-quality catering starting with a delicious breakfast all the way through our Cocktail Reception at the end of the day.

# WHO ATTENDS THE PI SUMMITS?

At our Personal Injury Summit™, we have had an average of 60-75 attendees in Central Florida, and 75-100 in South Florida. Most attendees are business owners or decision-makers in their legal or medical practices.

Medical specialties may include chiropractors, orthopedists, medical doctors, physical therapists, and legal specialties may include personal injury/PIP attorneys, trial lawyers and paralegals.

Most attendees practice in Florida, with a small portion coming from other parts of the country. The suggested attire for guests and vendors is business casual.

# WHO CAN PARTICIPATE IN THE SPEAKER PROGRAM?

All sponsors are welcome to submit an application to participate in our Expert Speaker Program. Class topics must be fully educational in nature, and address relevant topics in medical, legal or business strategies. We consider all speaker applications in the order of highest-to-lowest sponsor levels until the schedule is filled.

A paid sponsorship is required in order to apply. Gold Sponsors are guaranteed a 50-min. class spot, with second priority given to Silver Sponsors.

If interested, please to submit the separate Speaker Program application to us as soon as possible, including your sponsorship payment, speaker's CV, headshot and topic description.

## 2025 SPEAKER PROGRAM APPLICATION

### 1. SPEAKER PROGRAM TERMS AND CONDITIONS

Please review all terms carefully and let us know if you have any questions.

- a. **Class content must be purely educational in nature.** As our goal and main attraction to our events is the valuable information provided in each class, we require that all speakers ensure their presentation is free of promotion or tied inherently to any particular product or service. If you are a sponsor, you will be given the opportunity to promote your company based on the sponsorship level for which you signed up. Host reserves the right to end a class early if the speaker does not comply with this requirement
- b. **Class topics must be relevant to the industry.** Our target audience for the PI Summits includes both medical and legal professionals, the majority being business-owners and decision-makers in the PI industry. Class topics must address up to date and relevant information of interest to the target audience.
- c. **Classes must be between 40-50 minutes long.** If you would like to apply for a shorter class, there may be opportunities to participate as part of a panel of various speakers
- d. **The use of educational visuals is highly encouraged.** To ensure maximum retention and engagement with the topic being presented, we encourage speakers to use a slideshow as visual support. To ensure maximum quality of presentations, no audio files are allowed as part of the slideshow. Please email your slideshow to us at least 7 days before the event, including any handouts you'd like to provide (will be printed in black and white format only). Speaker will be responsible for printing and preparing any handouts not provided to us within 7 days of the event.
- e. **Application approval is subject to topic and schedule availability.** Priority is given to the Gold-level event sponsors, and subsequently opened to the Silver-level sponsors.
- f. **Speakers are responsible for their own expenses.** This includes travel, lodging, parking and any other related expenses. Meals are provided during the day of the event for all guests, including breakfast, coffee break, lunch and cocktail reception. Please note that a paid entrance ticket to the event is required.
- g. **Speakers must present their class in person.** Since the main goal of our Personal Injury Summits is to facilitate learning and networking for PI professionals, it is set up exclusively as an in-person event. Speakers are asked to arrive at the venue no later than 2 hours before their scheduled class and required to dress in business professional attire.

Please check this box to acknowledge our terms and conditions, and complete the application on page 2.
